Subject: Riverside Flyer- are you going to post it to EPA Facebook?

I have a query from the City of Newark's communications office - if we post the flyer announcing the public meeting, they will share it on the City's Facebook page. They can not promise where on their Facebook page it would go, but they can share it. Let me know - I told them I could not share the flyer with them until tomorrow and that public notice display ads will run in both the Star Ledger and El Diario tomorrow announcing the Proposed Plan, virtual public meeting and public comment period. Thanks to Andrea Mason again. Be well and stay cool.
